INTER-STATE GAMES

Regular State Fixtures?

The meeting of Queensland and Victoria last week-end gives us much food for thought regarding the future of Inter-State games. The time has come for us to get busy arranging for a regular interchange of visits between as many States as possible.

UNTIL we do this we shall not reach our rightful position in the world of winter sport.

Only a regular interchange of State visits will give the Australian selectors a real chance of truly assessing the relative ability of players of the various States, and thus selecting the best possible team to represent Australia against visiting teams from overseas.

Inter-State Carnivals have not been an unqualified success. The one played in Melbourne in 1952 was a big financial success, but the one in Adelaide a few years later was a gigantic financial failure, and the States had to make up the deficit.

Victoria made a handsome profit from the 1952 Carnival, and put on a fine show, but such a Carnival in other States looks doomed to failure.

Would it not therefore be wise for the A.S.F.A. to take this matter in hand and arrange a regular set up of inter-State fixtures which would at least include

games between Victoria, New South Wales and Queensland, playing two games each year. First, say, Victoria v. N.S.W. in Sydney; and then Queensland v. N.S.W. in Brisbane; with Victoria v. Queensland in Melbourne, with similar games played the following year on the other States' grounds.

So far we have left South Australia and Western Australia out of our consideration, and I do not like this, but for the time being we must leave these States to meet each other, and possibly Victoria and South Australia meet also.

At present our code cannot stand the visit to or from Western Australia, or, for that matter, South Australia; but I do feel that after the lapse of a year or so, our position would be so much stronger as a result of this inter-State arrangement, that we could soon consider an all States regular set up.

Points could be awarded as in regular Premiership games, and the two States with the most

points at the end of the season could play off for the F.A. Trophy.

These inter-State games would always be a prelude to overseas visits, and should we have to take International games early in the season, as in the case of Blackpool, the knowledge gained by selectors during the previous year's inter-State tournament would still be of great help to the A.S.F.A.

From this we go on to the greater and more important matter of Australian teams touring overseas.

It was a big disappointment to Australian players to learn that the recently proposed tour of Hong Kong and other eastern countries had to be called off.

The things that give Australian Rugby League, and for that matter Australian Rugby Union, its greatest fillip is its overseas tours.

Players of both these codes have every incentive to consistently and constantly give of their very best in an endeavour to catch the eyes of the selectors and possibly gain a wonderful trip.

Most of us can recall the wonderful thing it was for Australian Soccer to have our boys touring South Africa.

Since that time we have received visits from several overseas teams, including one from South Africa and one from New Zealand. True, the New Zealand trip would not be as glamorous as a trip, say, to South Africa, but it would be something for our boys to look forward to.

A South African team toured Britain, and a West Indian team

Continued on Next Page.

did likewise, so why can we not also look forward to the day when our lads will be able to visit Britain?

When the team went to South Africa last, we explored the possibility of continuing the tour to Britain and playing a limited number of games there before proceeding to Canada and America for further matches.

A team that had played a number of games in South Africa would be in good fettle, and would have a thorough understanding of each other's play, which would be a tremendous asset.

A series of wisely chosen games in Britain could be of immense benefit. I do not for one moment suggest meeting First Division teams, but I do feel that we could meet top amateur International teams, or top amateur Club teams like the Amateur Cup winners.

League teams are not likely to give away Saturday dates to any such games, but judiciously placed games during the week could still draw reasonably good gates, and at least pay for the tour, apart from which the experience gained by our boys would be of the greatest value to the code here.

On to Canada, a country that owes our boys a tour, for we received a visit from a Canadian team as far back as 1924. During this visit six tests were played, Canada winning three, Australia two, and one was a goalless draw.

That was 34 years ago, and we have not since received a reciprocal invitation.

A few games in Canada, and then on to Los Angeles, where our boys could put up a good showing against any U.S.A. team. The around-the-world tour could wind up with two games in Hong Kong, and afterwards the knowledge gained by our lads could be brought back to Australia and given to the various States by players from them. In this way, Australian Soccer would receive its greatest ever benefit.

With the S.A. tour on, a great deal of the travelling costs would be met by this section, and reduce costs of the rest of the trip.

These are just a few thoughts put together in the hope that something will be done to make our game more attractive to our players and our spectators!

Coburg Utd., in their Dockerty Cup match with Croatia, were down 1-0 at half-time, but fought back to draw level, and then go ahead by a penalty kick converted by J. McKee in the second last minute. Coburg are confident of bettering their 0-0 draw with Preston when they last met. The strenuous efforts by the Committee and players to get a winning team are now meeting with success, and the Club should be in the top half of the League table fairly soon.

JUNIOR NOTES

Disciplinary Committee Meeting

The Disciplinary Committee heard a protest by Brighton against U.S.C. Lions playing ineligible players in the Cup game played on Saturday, May 31, 1958. The following decisions were reached.

1. The protest be upheld, despite a request by Brighton for the game to be re-played. The Committee decided that player Craker (Lions, over age) be suspended for two playing Saturdays from and including June 21, 1958.

2. The Club be fined the sum of £1 for playing Y. Kinash under the assumed name of Frolchenko.

3. Lions players, V. Machoryn and Verkolar must furnish proof of date of birth before again being allowed to play.

4. That Brighton Club be awarded the game, and that Lions Club be severely reprimanded for playing ineligible players.

Withdrawals.

All Clubs playing in the Under 17 Section B are requested to note that the under-mentioned Clubs have withdrawn their Under 17 teams to take effect immediately:

Wesley College and Fishermen's Bend.

Under 17 teams to play these Clubs will be granted an automatic walkover, and granted the points (one goal to nil).

Claims will NOT be necessary. It is suggested that teams having a bye arrange a friendly game on the date in question.

League Fixtures.

All Clubs playing in Under 17 Sections and Under 20 Section are requested to note that the second round of the Cup matches will now be played on JULY 26 instead of August 23.

League matches arranged for July 26 will now be played on August 23. The Under 20 League final will be played on a date to be arranged later.

All Clubs are again reminded that results must be telephoned to BM 2252 immediately after the game between the hours of 2 p.m. and 5 p.m. Any Club not doing so will automatically be fined. The following games were not telephoned on Saturday last: Under 13, Section B (Maccabi v. Broadmeadows); and Under 20 Section (Pahran v. Box Hill).

LIFETIME

Second Division

DOCKERTY Cup results last week indicate that there is not a very great difference in the playing standard of the First and Second Divisions.

The most meritorious performance was registered by Vic. Police, who were extremely unlucky not to score an outright win over Yallourn, and will certainly face their re-play with confidence. The robust tackling and direct play of the Police did not allow Yallourn to settle down at any stage of the game. Shortly after half-time, Yallourn equalised when a Police defender deflected the ball into his own goal. The Police again scored first in the extra time, but a desperate Yallourn levelled the scores in the last minutes to earn a re-play. Outstanding in the Police defence were captain and centre-half, Derek Grimer, and right-back, Rod. West; while centre-forward Hanna inspired a dangerous forward line.

Croydon found themselves completely outclassed by the slick South Melbourne teamwork, and South's Jackie Wilson, Colin McLeod and Graham James had a field day.

Moorabbin continued their improvement with a sound 6-2 victory over higher-graded Dandenong, and if they can hold their form they should considerably improve their League position over the next few weeks.

Ferntree Gully's robust style nearly led to victory over Vic. Colts, but the youngsters' superior teamwork won them the day in a narrow finish.

Sicilia and Fiorentina could not reach a decision, even after extra time, and the final winner of this tie will prove a worthy opponent for South Melbourne United in the next round.

There is no doubt that the seeding of State League Clubs until the fourth round of the Dockerty Cup is giving many lower-graded Clubs a much more interesting competition than formerly, and will ensure that those who survive until the fourth round are worthy of playing against top-flight Clubs.

Full-Back Wanted

THE Brunswick Club has reorganised considerably in the past few weeks, and could surprise several of the First Division North teams.

A pressing need, however, is an experienced full-back. Any player interested should phone Mr. J. Brenneris (FL 1481; day).

To the Editor

Trust Fund Query

SIR,—I would be obliged if as much of the following as possible could appear in "Soccer News." This letter is not officially addressed to the V.A.S.F.A. directly, but to supporters of the game.

Our Club was greatly taken aback this year when we were notified that our contribution to the V.A.S.F.A. Trust Fund for this year was to be £15. Now, while we do not know how much the State League or any Clubs other than those with our status are required to contribute, I believe that Clubs in the old Second Division of last year had to pay a similar amount.

This year we find that there are two First Divisions — a total of 20 Clubs — presumably paying £15 each, a total sum of £300 — or an increase on last year of £150. We must admit, on the strength of these figures, that we thought we could reasonably expect a decrease in the amount payable.

I need not enumerate the advantages of Clubs such as ours, and I do not think we are alone in taking this view. We are as indispensable to the V.A.S.F.A. as any other Club; in fact, none could exist without the help of others.

Now, I ask, what advantages do we gain for our money? We

are not a wealthy Club, but we just make ends meet each year; and this represents, to us, a large sum of money from which we may reasonably hope for some benefit.

I may be wrong, but I think we receive very little. No publicity! No (I may be wrong) financial recompense! What good, then, does our payment do us?—Yours, etc.,

L. H. PARROTT,
Hon. Secretary, South Yarra Soccer Club.

16 Bowen Street,
Chadstone, S.E.10.

May 21, 1958.

[The Coburg United S.C. has raised the same query as South Yarra, and was advised as follows: "That Coburg S.C. be advised that the Club has been promoted from a lower Division to a higher Division. The Deed of Trust provides that First Division Clubs shall pay a fee of £25; Second Division Clubs, £15; and Third Division Clubs, £5. For the purposes of the Trust Deed it has been decided that First Division Clubs shall only be charged £15."]

The V.A.S.F.A. Constitution, pages 45-47, sets out all particulars of the Trust Fund, and all Clubs should have a copy of same in their possession. Briefly, 50 per cent. of the Trust fee goes to the propagation of the game; the other 50 per cent. is used for the purposes of ground acquisition and development. Several Clubs have received the benefits gained by the Trust Fund scheme.—Editor, "Soccer News."]

CLUB NEWS

SLAVIA Club has been really hit by injuries — Vacirca, Petherick, Reinbold, Cook and McKillop will miss several games, and don't like it. Vacirca had to be led off the field when he tried to play in spite of a leg injury and concussion.

Richmond Club are in the strong position of having three teams in the leading position, and hope to win at least one premiership. After nine games all three had the same points. The Club would like to play week-end games on July 12 and 13. Any Clubs out of the Dockerty Cup who are interested should contact Mr. F. Schwab, 13 Errington Road, St. Albans.

Frankston Club are pleased to welcome to its ranks Jos. Bierman, ex-Navy; and Joe Bell, from Slavia-Port Melbourne.
